

Early Years Training

Held at Children's Scrapstore or your setting

Current Courses Include...

Play Theory

What does 'Learning Through Play' actually mean?

Using Scrap Outside

Hands on session exploring the latest scrap from your local store and how it can enhance outdoor play

Schemas and Loose Parts Play

Recognising schemas and extending schematic play to support the child.

Playful and Enabling Environments

Using loose parts to develop fascination traps which extend learning through play

We can also write bespoke training for your staff team, please get in touch
